

RICARDO LOPEZ

FRONTEND DEVELOPER

PROFILE INFO

Experienced frontend developer skilled in JavaScript, HTML5, CSS3, React, and Tailwind CSS. Specializing in crafting responsive and dynamic websites, I bring hands-on expertise with WordPress, Elementor, WooCommerce, and Crocoblock, leveraging PHP to customize plugins. Passionate about continuous learning, I've honed my skills through different projects and am eager to contribute to dynamic teams as a Jr. developer.
